3D Systems to Host Investor Event in New York, NY

Rock Hill, South Carolina – May 5, 2011 – 3D Systems Corporation (NASDAQ: TDSC) today announced that it plans to hold an analyst and investor meeting on Thursday, May 26, 2011, at 11:00 a.m. EDT in New York, NY. 3D Systems' senior management will review the Company's strategic initiatives, operating highlights and financial progress, and will provide an update on its product and market development plans followed by a question and answer session.

The investor presentation will be led by Abe Reichental, President and Chief Executive Officer. The event will feature comprehensive presentations by key members of the company's senior management team and will be webcast live. Additional details will be provided prior to the event.

Investor Event Registration:

To register for the event, use the online registration link available under the [Investor Relations](#) section of 3D Systems' web site or go directly to the registration page by clicking on or pasting the following link in your web browser:

http://www.3dsystems.com/investors/2011_investor_and_analyst_day.

For remote participants, a live webcast of the analyst and investor day presentations will be available on 3D Systems' web site under the Investor Relations section at www.3dsystems.com/ir. Participants are encouraged to visit the web site early to register for the webcast and to download any necessary software.

For more information please contact Stacey Witten at (803) 326-4010 or via email at wittens@3dsystems.com.

About 3D Systems Corporation

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials and custom part services. Its expertly integrated rapid prototyping and manufacturing solutions reduce the time and cost of designing new products and printing real parts directly from digital input. These solutions are used to design, communicate, prototype and produce functional end-use parts; customers create with confidence.
